Ref: 171412

Asked by:

Afzal Khan (Manchester, Gorton)

Question:

To ask the Secretary of State for the Home Department, what steps the Government is taking to protect the rights relating to (a) working and (b) living conditions of workers who come to the UK as part of the new seasonal workers scheme.

Response:

Full details of how the seasonal workers pilot will operate will be announced in due course. Ensuring the protection and wellbeing of participating migrant workers is of primary importance. We are working with the Gangmasters and Labour Abuse Authority to ensure that we get this right.
